Sorting applications My main problem now is that I can't sort my applications as i can in windows 7. i also haven't got "Pick Control Panel Items and Search Program and Features" in my startmenu after I installed McAfee SiteAdvisor.EFA welcomes the publication of the White Paper 'Significant Expansion of the UK's Gas Market', which sets out proposals to expand the existing UK network of gas pipelines and storage facilities (Platts, 6/12/19). The White Paper adopts a more holistic approach to gas infrastructure development, bringing together a previously uncoordinated and fragmented gas industry and may help to address some of the challenges identified by the UK Government (see below). The White Paper clearly demonstrates the need for a more
