Note: The Beta version of the game is still under development. We're still doing some more bug fixes and optimizing the game. We're also doing some game engine changes to fix various issues. We're not planning on releasing Beta-1 on consoles at this time, but we hope to have the Beta for you on PS4 soon. Once we have the Beta on PS4, we'll be releasing it to PS Vita and Steam. We're working on a release date for the Beta on PC now and will get back to you
